### Practise

We haven't rehearsed all these songs, so **spend plenty of time learning them** before trying to record yourself! I've given you some lyrics and cues, but please use your scripts!!

You are all so brilliant – the main thing to **remember is to act, using hand gestures and facial expressions**, exactly as you would do if you were on stage. I will tell you which parts to sing and **which sections to record in purple!** **Notes about how to perform are in red!**

### Solo songs

#10 Jolly Holiday	BERT (Cerys) , MARY POPPINS (Tilly), JANE (Emily), MICHAEL (Freya), NELEUS (Ruby M), PARK STROLLERS (Francesca, Emily C, Alicia, Lilou) & STATUES (Emma and Mina)	<p><b>All record from beginning to end. Statues stay frozen into statue position until they come to life! Park strollers could walk on the spot and sway in time to the music from when Bert singing starts. All ACT surprised when statues come to life!</b></p> <p><b>Ignore 2 part section at bar 70 – all sing Part 1.</b></p> <p><b>Park Strollers and Statues join Mary, Bert and children sing from bar 64:</b></p> <p><b>“Oh, it's a jolly holiday with Mary, No wonder that it's Mary that we love!</b></p> <p><b>It's a jolly holiday with Mary, Mary makes your heart so light.</b></p> <p><b>When the day is grey or ordinary, Mary makes the sun shine bright.</b></p> <p><b>Oh 'appiness is bloomin' all around 'er.</b></p> <p><b>The daffodils are smilin' at the dove.</b></p> <p><b>When Mary 'olds your 'and you feel so grand,</b></p> <p><b>your 'eart starts beatin' like a big, brass, band.</b></p> <p><b>Oh, it's a jolly holiday with Mary,</b></p> <p><b>No wonder that it's Mary that we love!</b></p> <p><b>No wonder that it's Mary that we love!”</b></p>

<p><b>#13 A</b> <b>Spoonful of Sugar</b></p>	<p><b>MARY POPPINS, HONEYBEES, JANE, MICHAEL, WINIFRED, MRS BRILL, ROBERTSON AY (RA)</b></p>	<p>Mary Poppins, Jane and Michael record from the beginning to the end. Robertson Ay also - you seem to be on stage throughout – perhaps you could also sweep and find some ‘butler-y tasks to look busy with! Jane and Michael - <b>it would be great if you could do the sweeping from bar 13 through to end of the first chorus.</b> Join in with Mary in bar 45 “(echo) And hence, they find (unison) their task is not to grind”, then continue with all.</p> <p>Honeybees record from the end of the first chorus 0m45secs <b>Honeybees mime fast flapping wings from verse 2, “The honeybees that fetch the nectar” etc... flap and turn on the spot! Stop to sing...</b></p> <p><b>All sing</b> from bar 49: 1m0s <b>“For, A Spoonful of sugar helps the medicine go down The medicine go down-wown medicine go down Just a spoonful of sugar helps the medicine go down In a most delightful way.”</b></p> <p><b>Bees start ‘flying’ again straight away as music picks up. Stop by 1m40s. 1m37s</b> Dialogue: <b>After Mary says, “Right yourselves please, Spit-spot’ ‘Up we go RA” RA and Mary pretend to fly in formation with bees – Mary stays upright– perhaps RA puts arms out like a plane?) Imagine <b>all</b> that you ‘come in to land’ before Winnifred and Mrs Brill come in at 1m43</b></p> <p>Mrs Brill and Winnifred come in at bar 73 so record from 1m41s <b>All sing</b> with Mrs Brill and Robertson Ay after Mrs Brill says, “How did you get them to do it?” <b>Unison singing to end</b> – don’t try to do individual parts: <b>“Just, A Spoonful of sugar helps the medicine go down The medicine go down-wown medicine go down Just a spoonful of sugar helps the medicine go down In a most delightful (Mary – echo - In a most delightful ) In a most delightful way.”</b></p>
<p><b>#26</b> <b>Brimstone and Treacle (Part 1)</b></p>	<p><b>MISS ANDREW,</b> Jane and Michael</p>	<p>Only Miss Andrew sings. All record from beginning to end. Jane and Michael act throughout and M has 1 line of dialogue! Miss Andrew have a nasty-looking bottle of medicine and a large spoon!</p>
<p><b>#28 Let’s Go Fly a Kite</b></p>	<p><b>BERT, Mary Poppins, Jane, Michael, KITE FLYERS, ALL</b></p>	<p>Bert, Jane, Michael and Kite Flyers, record from beginning to end. <b>If Kite flyers can be holding a simple kite, or picture of a kite, that would be fantastic!</b></p> <p>Bert speaks, then sings from the beginning. <b>Kite flyers</b> join singing from 22s: <b>Oh, oh, oh... Let’s go fly a kite Up to the highest height! Let’s go fly a kite and send it soaring Up through the atmosphere Up where the air is clear Oh, let’s go fly a kite!</b> Dialogue...</p> <p><b>ALL</b> record from From 1m0s “You can do it – pull one more time!” ALL sing <b>Ah... Let’s go fly a kite Up to the highest height... Oh, let’s go... Fly a kite!</b></p> <p><b>Mary Poppins</b> come in – pretending to be flying in with your umbrella at bar 34 record from 1m0s to end. Sing with all.</p>

<p>#32 Step in Time</p>	<p><b>SWEEPS 1 – Theo</b>  <b>Sweep2 – Isla</b>  <b>Sweep 3 – Molly</b>  <b>Sweep 4 – Ruby D</b>  <b>(1 solo line each),</b>  <b>SWEEPS’ FRIENDS - Hugo Chloe Evie E Harper Ethan</b>  <b>BERT, MARY POPPINS</b></p>	<p>All sweeps 1-4 record from beginning to end.</p> <p><b>Solo lines</b>  This is a difficult song we haven’t practised ☹ Sweeps - Please just try your best – it may be best to speak, rather than sing your lines, be loud and confident, but keep carefully in time to the music. Just <b>sing part 1 (not part 2)</b> at bar10 (20s)  <b>“We may look a motley crew, smudged with tar and grime, but when you need a helping hand, try to step in, try to step in, try to step in, just in time.”</b></p> <p><b>Bert, Mary and SWEEPS’ FRIENDS – Hugo, Chloe, Evie E, Harper, Ethan record from 1m01s</b>  <b>Over the roof tops, step in time...</b>  <b>Over the roof tops, step in time...</b>  <b>Never need a reason, never need a rhyme...</b>  <b>Over the roof tops, step in time...</b>  <b>(Start a small step-kick)</b>  <b>Kick your knees up, step in time</b>  <b>Kick your knees up, step in time</b>  <b>Never need a reason, never need a rhyme</b>  <b>Kick your knees up, step in time.</b></p> <p><b>MARY SOLO:</b>  Childhood is a step in time,  Parenthood’s the same,  <b>BERT joins in (stay in unison):</b>  Never miss a chance to get it right,  Bert: Don’t it seem a perfect crime,  Don’t it seem a shame,  Mary and Bert: when the steps aren’t going as smoothly as they might?  -pause-  <b>Sweeps 1-4 (continue a small step-kick)</b></p> <p><b>“That’s when we step in, step in time,  That’s when we step, step... in time.  Never need a reason, never need a rhyme,  That’s when we Step in, step in time!”</b></p> <p><b>ALL - sweeps and friends (continue a small step-kick)</b>  <b>Link your elbows, step in time,</b>  <b>Link your elbows, step in time,</b>  <b>Never need a reason, never need a rhyme</b>  <b>Link your elbows, step in time.</b></p> <p><b>Kick your knees up, step in time</b>  <b>Kick your knees up, step in time</b>  <b>Never need a reason, never need a rhyme</b>  <b>Kick your knees up, step in time.</b></p> <p><b>Oh – step in time, step in time</b>  <b>Step, step, step,</b>  <b>step in time, step in time</b>  <b>Step, step, step in time</b>  <b>Never need a reason, never need a rhyme...</b>  <b>Never need a reason, never need a rhyme.</b>  <b>(try a bigger step-kick from here to the end! )</b>  <b>If you, Kick your knees up, kick your knees up,</b>  <b>Kick your knees up, kick your knees up,</b>  <b>Step, step, step, step, etc</b>  <b>Never need a reason if you step in time!</b></p>

We know recording can be stressful, but when you see the end result, you know it will be worth it!
