

Puffins Weekly Overview 2025

Term 5 Week 4

We will have another lesson with Mrs Anderson on Monday about Neurodiversity – very interesting and important!

Friday, 16 th May	This week we have been learning about ...
English	<p>Class Reader: We have nearly finished reading 'The Reptile Room' by Lemony Snicket.</p> <p>Writing: We have written a jungle adventure story.</p> <p>Drama – improvised interviews with Edmund Hillary</p> <p>Spelling focus: list 29 – see below</p>
Maths	<p><u>Times Tables</u></p> <p><u>Decimals</u></p> <p>Making 100 and making 1</p> <p>Adding decimals</p> <p>Partitioning decimals</p> <p><u>Fun Friday</u> – circle patterns with hexagonal paper and compass drawing</p>
Other Curriculum Areas	<ul style="list-style-type: none"> • Music – Families of instruments and Peter and the Wolf composition challenge • Computing – modifying a game • Art – designing Rangoli patterns • Geography – the highest mountains in the world • Spanish – revising la familia • RE – What can we learn about Dharma from Ramayana?
<p>News and reminders</p> <p>Spelling shed words this week:</p> <p>supermarket</p> <p>superhuman</p> <p>superhero</p> <p>anticlockwise</p> <p>antisocial</p> <p>automatic</p> <p>superstar</p> <p>autograph</p> <p>autobiography</p> <p>antiseptic</p>	<p>Our Joseph Production is next week on Wednesday and Thursday evenings. Do feel welcome to come and see it, even if your children aren't taking part – it might persuade you to sign them up next year? The class will see it on Friday morning.</p> <p>Next week PE is on Monday and Wednesday. NO Forest School next week.</p> <p>Multiplication Tables Check – we are working hard in school to be ready for this test which the children will complete in school on an iPad between June 4th and 6th. We advise that they are aware of which facts they know, which facts they can work out in under the 6 seconds and which facts they can't – but are still worth a guess! We also strongly advise that all children get used to NOT pressing the enter button, but typing in the answer and leaving it on the screen so they can check for typos and have a pause between questions.</p> <p>Please practise at home on an iPad or computer if you can. There are various different free sites: I like this one: https://urbrainy.com/mtc/test# or https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check Thank you.</p> <p>Cornets – this is my last plea– please check and see if you have one lurking and return it by half term. Thank you!</p>
