Circle Model – Whole Governing Body Approach

Outline

The Governing Body works as a 'whole team', meeting 6 times per year, once in each term, without any separate committees. An agenda for each meeting will include all the tasks which the governing body is required to consider, and the governing body will 'commission' assignments or activities arising from the business of the meeting, which will be recorded in the minutes.

In addition to 'commissioning' activities or actions on their behalf, the governing body may wish to delegate monitoring activities to 'monitoring pairs' or 'individuals'. This could apply to statutory functions, and/or the priorities of the School Plan.

In each case where a function has been delegated there is a statutory duty to report any action or decision to the governing body at the next meeting.

Standing Order for the Election of Chair and Vice Chair

Guiding Principles

- The Governing Body **MUST** elect a chair and a vice chair.
- When the office of Chair or Vice Chair becomes vacant, the Governing Body must elect a new Chair or Vice Chair at their next meeting.
- There are no regulations covering the process of election with the exception of the need for the candidate(s) to withdraw from the meeting when a vote is taken.
- Governing Bodies are free to, and should, agree an election process.
- Governors who are paid to work at the school, for instance the Headteacher and the staff governors cannot be elected as Chair or Vice Chair.
- The process must be fair, open and transparent.

Factors the Governing Body should consider in agreeing their election process are:

- How long the Chair and Vice Chair will serve (You may wish to consider different terms of office.)
- Whether a Governor can be re-elected and whether there should be a limit to the number of terms a Governor could serve in the position of Chair or Vice Chair (You may like to consider succession planning, individual Governor and Governing body development, workloads and the involvement of all Governors.)
- Whether a governor can stand for office if they are unable to be present at the meeting.
- How nominations will be made (in writing in advance of the meeting via the agenda or verbally at the meeting, with or without a supporting written or verbal statement.)
- Whether a candidate will self-nominate or be proposed (and seconded if wished) by Governors.
- Whether there will be a secret ballot or show of hands (and whether this would vary depending on the circumstances i.e. in all cases or only where there is more than one candidate.)
- How the Governing Body would treat a tie in votes (would candidates have the opportunity to speak to the Governing Body about why they want to be the Chair or Vice Chair followed by another vote, would it be by another method?)

The role of the Chair of the Governing Body

- To ensure the business of the Governing Body is conducted properly in accordance with legal delegation requirements.
- To ensure that meetings are run effectively, focusing on the priorities and making best use of the time available, and to ensure that all members have an equal opportunity to participate in discussion and decision-making
- To establish and foster an effective relationship with the Headteacher based on trust and mutual respect for each other's roles.
- To establish and foster a good relationship with the Clerk based on professional respect for each role.

GOOD PRACTICE EXAMPLE

- The Governing Body resolves that the following process will apply to the election of Chair (and vice chair) of the governing body (provide a brief outline of the role see overleaf):
- The Chair and Vice Chair will serve for a period of between 1 and 4 years.
- The Clerk will take the Chair to conduct the election of the Chair and the newly elected Chair will conduct the election for the Vice Chair using the same procedure.

Either

a) The Clerk will invite Governors to self-nominate by a closing date no later than 2 weeks before the date of the meeting at which the election is to be held.

or

b) Governors will be asked to propose nominations to the Clerk by a closing date no later than two weeks before the date of the first governing body meeting of the academic year. The Clerk will provide a form for this purpose, which will allow for nominations to be seconded before submission (if required).

- The Clerk will include the names of all candidates for election on the agenda for the meeting at which the election is to be held, and send it to governors at least 7 days in advance of the meeting.
- The candidates will be asked to leave the room whilst the election takes place and the outcome discussed.
- Governors will take a vote by secret ballot conducted and counted by the Clerk.
- Candidates will be allowed to vote (including for themselves) before leaving the room.
- In the event of a tie, each candidate will be given the opportunity to address the governing body before a further vote is taken. (If a candidate cannot attend the meeting, a supporting statement may be requested in advance of the meeting.)
- If no advance nominations have been received for the office of Chair, the Clerk may seek nominations at the meeting.

If no Chair is duly elected, a Governor **MUST** be appointed to Chair the remainder of the meeting and to act as a temporary Chair until the next meeting.

Following the election of the Chair, the new Chair will conduct the election of a Vice Chair using the same procedure.

Barham Church of England Primary School

Standing Order for the Appointment of Co-opted Governors

Guiding Principles

The Governing Body may decide the process for the appointment of Co-opted governors.

Factors the Governing Body should consider in agreeing their appointment process are:

- What skills are required to support the Governing Body at the time of the vacancy.
- How and where vacancies should be advertised.
- Whether a candidate will self-nominate or be proposed [and seconded if wished] by governors.
- What information the Governing Body needs from each candidate to support their nomination i.e. a statement of so many words, interview with, or presentation to the governing body or alternatives as appropriate.
- Whether there will be a secret ballot or show of hands [and whether this would vary depending on the circumstances i.e. in all circumstances or only where there is more than one candidate.
- How the results will be notified to the candidates.
- How often the process will be reviewed.
- The process must be fair, open and transparent.

1. The Co-opted governors are appointed by the governing body. They are people who in the opinion of the governing body have the skills required to contribute to the effective governance and success of the school.
2. The Governing Body may choose to advertise the vacancy broadly to reach as wide an area as possible. Priority may be given to candidates with particular skills if this expertise would enable the Governing Body to work more effectively. In these cases this would be clearly stated when notifying the vacancy.
3. Where two or more names are put forward, prospective Co-opted governors will be asked to prepare a brief statement of no more than 100 words, explaining their background and why they wish to be appointed. Where possible these statements will be circulated to all members of the Governing Body prior to the meeting at which any appointment will be considered.
4. At the next meeting of the Governing Body, governors will be invited to vote by show of hands if there is a sole candidate. Where there are multiple nominations, governors will take a vote by secret ballot, managed by the Clerk.
5. In the event of a tie, the governors will again discuss the nominations and take a further vote.
6. The Clerk will announce the result, with the candidate polling the most votes being duly appointed.

- We accept that in the interests of open government, our names, terms of office, roles on the governing body, category of governor and the body responsible for appointing us will be published on the school's website.

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other governors.
- We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other governors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the headteacher, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside school
- We will exercise the greatest prudence at all times when discussions regarding school business arise outside a governing board meeting.
- We will not reveal the details of any governing board vote.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing board's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time. We accept that the Register of Business Interests will be published on the school's website.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- We will act in the best interests of the school as a whole and not as a representative of any group, even if elected to the governing board.

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the chair and the chair will investigate; the governing board will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the chair that we believe has breached this code, another governor, such as the vice chair will investigate.

The Seven Principles of Public Life

(Originally published by the Nolan Committee: The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example.
