

# Welcome to the Barham School Sock Olympics!

This year, Sports Day is looking a little different! To fill the void left by the postponement of the traditional Barham School Sports Day and the Tokyo 2020 Olympics, we have planned The Barham School Sock Olympics just for you!

**You will need:**  
A ball of socks!  
Your trainers  
Stopwatch/timer  
Laundry basket, bucket or hoop  
6 skittles (toilet rolls or empty plastic bottles)

Have a go at the different activities and record your scores on the scorecard! You can see Year 6 demonstrate each activity on the Year 6 Class page. We would love to see any photos of you completing the events!

When you have completed the activities, send a photo of your scorecard to your class teacher. We will then count the points to find the winning Olympic house!
