September 18th 2020

Dear Parents/Carers,

As we have a number of new pupils joining us, I am sending out this letter again regarding the importance of letting us know if your child has one of the illnesses listed below.

Chicken pox, measles & shingles

Two pupils in the school in key stage one are receiving medical treatment, which puts them at risk if they are exposed to measles, chicken pox or shingles.

We would like your co-operation in advising us straight away, if your child is suspected of having either chicken pox or measles or if anyone has shingles in your household.

Both pupils would need medical treatment within three days of contact of either of these illnesses so we are dependent on your co-operation in this matter. Thank you for your understanding.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.

Alison Higgins

(Headteacher)
