Dear Parents/Carers,

I hope everyone remains well.

Thank you to parents in Y6, Jays and Wrens who have already completed the survey. Your responses so far have been very useful in helping us to shape our plan. I will give more details next Wednesday about our intentions for re-opening the school.

Key Stage 2 will have a booklet on their class pages this week. The festival booklet contains 32 pages of fun activities - as a school we have signed up to have the maximum participants on Friday afternoon - we are encouraged to take photos and share with Charlton Athletic & with class teachers. You can do lots of the activities all week long though - there is a lot of active fun to be had!

French Club

Les Puces are about to launch their first online learning module. The book and project are posted to parents before the module starts, then they have access to a range of videos where they can hear the story in French and English; learn the song and actions; practise singing along; before moving on to karaoke style! They will have videos to help them work through the project together as well as worksheets and games to print out. Here's a link to our (less than 2 min) video explaining more.

Finally, a parent with links to the theatre has advised me there are some excellent online theatre productions available. Andrew Lloyd Webber is releasing Cats for 24 hours from 7 pm this evening: <https://www.youtube.com/watch?v=AeHusfoThIs>

Have a good weekend.

Best wishes
