

This Week's News

Welcome back to the summer term! I hope you all had an enjoyable Easter break. Three new pupils have joined us this week—a warm welcome to Amelie (Y5), her brother, Joshua (Jays) and Satya, also in Year 5.

It was lovely to see the children finally playing on the field again this week. Just a reminder that children should bring a water bottle and sun hat on these warm days. Please apply sunscreen before the children come to school (Sunscreen should be named if children do bring it to school).

Healthy Packed Lunches

Monday's assembly was all about healthy eating and packed lunches. This was prompted partly by school council who felt it was unfair that children having school dinner could enjoy chocolate cake yet chocolate was not allowed in packed lunches. All of our pupils now know the Barham school council definition of sweets (not allowed) and biscuits (allowed). This information is on the website along with some useful links to healthy packed lunch ideas (Click on 'school dinners and packed lunches' under 'parents' on the menu bar).

Netball News

Barham had a fantastic netball tournament yesterday. Florence can be seen here about to take a shot. We improved in every game, losing a game, drawing the next match and finally winning!
