This Week's News

The UKMT Junior Maths challenge took place yesterday with ten of our pupils in Year 6 taking part. This Maths competition is aimed at secondary school pupils so our children will be amongst the youngest pupils to enter. Four pupils from Year 5 also took part in a team UKMT Maths challenge at Kings school yesterday. The pupils thoroughly enjoyed the experience and came away bubbling with enthusiasm. We look forward to sharing the results with you in a couple of weeks.

Several classes will be visiting Heart's Delight farm this term as part of their Science topic. Year 3 walked up to the farm on Monday to find out about the structure and function of plants. We are very grateful to the Brown family for the hard work they put in to provide such a valuable experience for our pupils.

Sports News

Fantastic results from both our gymnastic teams in the Canterbury Games competition yesterday! The gymnasts

have practised hard to perfect their routines on the floor and vault. The photo on the left is our Y5/Y6 team in action. Both teams were awarded silver and have been selected to represent Canterbury in the Kent

School Games that will take place in Maidstone next term. Congratulations to all the Barham gymnasts who took part and a huge thank you to Mrs Wilson for giving up her time for additional practice sessions.
