This Week's News

The trip to Howlett's zoo was enjoyed by all of Year 3 and 4 last week. According to the children the talk on nutrition, muscles and skeletons was full of unusual fun-facts such as giraffes having

the same number of neck muscles as us. Several children mentioned how much they enjoyed seeing the gorillas and tigers up close.

Quicksticks

This year we sent two teams to the Canterbury district Quicksticks tournament.

Our youngest team (Y3 & 4) made a huge effort, winning one of

their games despite only recently working together as a team. Year 5 & 6 also tried hard, improving every match they played. Well done players for working so well together and showing such great team spirit.

New website

Our new website should be up and running by this time next week. The menu options are exactly the same as our current website so you should find it easy to navigate. The calendar entries are short titles but if you click on the title you will have more detail about the event and timings. We hope you like it.

This Week's Awards

Writer of the Week

Cerys (Year 4)
