

Barham Church of England Primary School

Guess the Teacher

What is your earliest memory? *Being at pre-school with my friends Helen and Sally and playing weddings. We used to race to the dress up box and whoever got the white dress was the bride!*

Were you naughty when you were younger? *I don't think I was naughty but I did get told off a time or two for talking when I shouldn't have been.*

What was the best thing about school? *Being in the same class as my brother (we're twins) and I only remember it being sunny when I was at primary school. We used to play in our massive field where I was forever doing cartwheels and handstands. We also had a weeping willow tree, which made the BEST den ever, and a fallen tree trunk we could climb on.*

What was the worst thing about school? *Having to drink my morning milk, which was always slightly warm (yuk)! Now I love milk but it has to be straight from the fridge.*

Were you ever told off? *In addition to being told off for talking I do remember being in reception and being told off for swinging my cardigan around over my head. The teacher was worried I would hit another child with a button.*

Who was your best friend at school? *Helen Plant (until she moved away) and then Sally Barber.*

What did you want to be when you grew up? *Either a teacher or a hairdresser.*

What was your favourite food? *I LOVED the school dinner puddings, particularly sponge and custard.*

Did you like school dinners? *Mostly...but especially the puddings.*

Did you like your teachers? *I was a little scared of my reception teachers (probably because I got told off that time on the carpet and we had to drink our milk) but I absolutely loved school and my teachers.*

What were you frightened of when you were a child? *Spiders (I still am a little!)*

What colour was your school uniform? *We didn't have school uniform at primary school.*

What was your favourite subject? *Music and PE*

Did you always do your homework? *I don't remember having homework but I know I always learnt my spellings and times tables and absolutely loved reading.*

What was your favourite animal? *Rabbits*
