

## This Week's News continued!

I'm beginning to run out of adjectives here but I know the whole audience at the Marlowe theatre on Wednesday enjoyed Barham dance club's superb performance. Brilliantly choreographed by Mrs Gurney, the children danced to the Mars section of Holst's Planets. The idea came from a workshop led by Vinicius Salles who visited the school in March. It was simply stunning. The experience for these 32 pupils dancing on a professional stage, with proper lighting and orchestra sound will never be forgotten. As always, I want to pay tribute to Mrs Gurney, for providing this exciting opportunity for our children.

### Year 4 Assembly

This week it was the turn of Year 4 to lead assembly on Wednesday. After entertaining us with the theme tune to Batman on the ukuleles, they taught us about pride and the difference between being humble and boastful. The last Class assembly of the year will be led by Wrens on **Wednesday, July 17th at 2:45 pm.**

### Dover Castle

Jays and Owls had a fabulous finish to this term's topic on Castles by visiting one of the finest castles in the country—Dover. The children were especially fascinated by the kitchen and banqueting hall.

We have two new pupils that have joined Barham recently. We would like to extend a warm welcome to Ethan (Y4) and Elena (Y2) and their family.
