This Week's News

What joy to have the glorious bank holiday weather continuing! The children with packed lunches have had the opportunity to have a picnic on the field this week and Year 6 had time off from SATs preparation to enjoy the sun-

shine playing with their buddies in the Wrens' garden. Our oldest pupils have been working hard, preparing for next week's SATs. We are very proud of their efforts and wish them all the best next week. Owls have been showing off all they have learnt in their SATs this month too. The Year 2 tests are conducted in a less formal manner and are used to support the teacher's assessment of the children's attainment level.

On Tuesday, five pupils from the Harvey grammar school visited Barham to deliver a drama workshop. The theme of the session for these Year 5 pupils was exploring jour-

neys. The children had a lot of fun performing their short scenes with the help of the older students.

Ascension Day Service

Our thanks go to Rev T for leading the school's Ascension day service at the church yesterday. Thanks should also go to our children for their beautiful singing.
