This Week's News

The Year 6 pupils have now finished their SATs and are seen here enjoying a celebratory ice lolly. Throughout the week they have demonstrated a hardworking, enthusiastic attitude and we are all very proud of their efforts. Well done to Owls, who have now also finished their SATs—they have a well deserved treat to look forward to next week.

UKMT Challenge

Results are just in for the UKMT (United Kingdom Mathematics Trust) junior challenge. This is a national competition open to pupils in Year 8 and below. We had our best results to date with five Year 6 pupils achieving Bronze awards. Well done to Michael, Cameron, Jake, Sean and Florence.

Pool Update

The fibre glass liner has been sealed so we are hoping to fill the pool up at the beginning of next week. We are keeping fingers crossed that we will be able to use the pool before the end of term. We are very grateful to the PTA for raising the considerable funds that this repair has cost. Class teachers will inform you by email if your child needs to bring in their swimming kit at the end of the week.
