

## Home Collective Worship – Monday 22nd June

### Candle Prayer

Dear God,

Thank you for being the light of the world.

**May the light shine brightly in your world.**

Thank you for being the light of our lives.

**May the light shine brightly in our lives.**

This week we are going to think about the importance of sharing and being kind. Watch this short film. Some of you may have seen this before.

## Reflection

What do you think the film is trying to show?

- kindness matters
- our actions make a difference
- often, our kindness can lead to something far better happening

There are many stories in the Bible showing how kind Jesus was, for example in Matthew 8:1-4 Jesus touches a man with a disease called leprosy and heals him. The man felt healthy again. In Luke 19, Jesus befriends an unpopular man called Zacchaeus. Nobody liked him so people were amazed that Jesus showed him such kindness.

Think of something that you can do that is kind for someone today.

Why don't you try to do one kind thing for another person (it doesn't have to be the same person) for the rest of the week?

## Prayer

Dear God,

Please help us to be kind to those around us.

Please help us to think about the needs of other people.

Please help us to seek to live in peace.

Amen.
