

Collective Worship - Monday May 11th 2020

Candle Prayer

Dear God,

Thank you for being the light of the world.

May the light shine brightly in your world.

Thank you for being the light of our lives.

May the light shine brightly in our lives.

This week, Katy is going to lead our collective worship. Katy is talking to Edie about what she has been getting up to during lockdown.

Reflection

You have all been patient, staying at home to keep safe. It seems like a long time now but we will be able to go out again soon.

Why don't you make a 'Wish jar' of all the things you would like to do when you don't have to stay at home?

Prayer

Thank you, God, for all you give us.

Help us to be patient,

especially when we are waiting for an exciting time to arrive.

Amen.

Hymn - Everywhere Around Me (Look in Week 2 to find the hymn)
