### Practise

We haven't rehearsed all these songs, so **spend plenty of time learning them** before trying to record yourself!

You are all so brilliant – the main thing to **remember is to act, using hand gestures and facial expressions**, exactly as you would do if you were on stage. I will tell you which parts to sing and **which sections to record in purple!** **Notes about how to perform are in red!**

### #24 PlayingThe Game / Chim chim ceer-ee

**ALL** record from 2m28s, sway from side to side during the 8 bar brass intro.

Start singing at bar 119:

LYRICS:

**The wind may blow, but who's to know, exactly what it's bringing?**

**Good news or bad, happy or sad, the pendulum keeps swinging.**

**A gentle breeze, that moves the trees, becomes an icy blast;**

**The warmth has gone, they struggle on and now six weeks have passed.**

**Be careful to keep in time, *slowing down exactly with the music for the last line!***

After singing, smile and start waving at the camera, continue and record until the music finishes at the end of the song! **This is where the interval would have been!**

**#15 Precision and Order**

**Clerks, Miss Smythe, Chairman and George** sing all together [ if possible wear a bowler or top hat and a smart shirt or a jacket and tie if you have one. Don't worry if not!]

LYRICS:

**Precision and order, cogs in a wheel**

**Opening a ledger, closing**

**Prudent investment, financial sense**

**Our perfect ray of sunshine – Pounds, shillings and pence.**

[break for dialogue]

**In every transaction, credit or debt, sheets are well balanced,**

**Targets are met, met, met, met, met, met, met, met.**

Stop singing, but continue recording until the very end of the song.
