June 17th 2020

Dear Parents/ Carers,

I hope you are all well.

At this time of year, we usually start our transition meetings for our new reception intake but this year because of the lockdown, the taster sessions for your child will be postponed to September when we hope that some of the current restrictions will be eased.

In the meantime, Miss MacDonald has been in contact with pre-school providers to gather information about your child and our Year 6 children are very excited about their new project of creating a video for you and your child about our school.

Next week you will receive a large pack of documents from the school detailing important information and some forms that will need to be completed. Apologies for the large number of forms that need to be completed but we prefer to send them out at the beginning of reception to avoid requests for form completion in later years. The school handbook and reception handbook (Starting School Booklet) can be found on the school website:

<http://www.barham.kent.sch.uk/parents/new-parents>

Please complete the forms, place in the envelope provided and return to school by Friday, July 3rd. These can either be sent back through the post or hand delivered through the school post box.

If you have any questions, please do not hesitate to contact the office 01227 831312.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.

Alison Higgins
