

JAYS CLASS (Year 1) - Weekly overview

Term 6 week 1

What a busy first week back! We were so lucky for our trip to Reculver for the Sea Safari - it stayed mostly dry and we all made some super scientific discoveries. Photos are on seesaw

Friday 5 June 2026	
This week we have been learning about:	
English	Phonics - review of many graphemes. And spotting those tricky split-diagrams! Writing descriptive sentences about the Snail and The Whale.
Maths	Inserting missing numbers on a numberline to 100 Calculating 1 more and 1 less than a two digit number Phonics races
Other Subjects	Science: A hugely informative trip to the seaside - learning about living things and their habitats PE: swimming Computing: An introduction to SCRATCHJnr - using blocks to move a sprite forward (photos on seesaw) PSHE: jobs in and out of school DT: Creating a pop-up on card
Other info	*** Next week is Phonics Screening - all of the children have worked incredibly hard in their ELS phonics this year and will 'wow' you showcasing their sound buttons and blending with the booklets that have been sent home. Please read these as much as possible. Many thanks PE days this term continue to be rounders on a Monday and swimming on a Wednesday. Please wear PE kits (with sports shoes that provide support to the foot - no fashion eg high-tops), on a Wednesday please ensure that earrings are removed and you bring swimming kits (you might want to include a pair of clogs or sliders for ease of walking to/from the pool) goggles and swim caps can also be worn.

Please don't hesitate to contact me via a message on seesaw or an email to:
