Friday 1st May 2026

Dear Parent/Carer,

In June, Year 4 pupils will take the Multiplication Tables Check (MTC). It is a short on-screen check designed to help us understand how fluent pupils are with times tables.

There is no pass mark. We use the information to identify pupils who may benefit from extra support.

Children should be ready to take the test from the first day back in term 6. Unless children are absent, we hope to complete all tests between Tuesday 2nd and Friday 6th June.

All children will do a 'try out test' to familiarise them with the format. Mrs Washington will support the children to complete the test, including access arrangements including changing the colour/font, hearing questions on audio and adding breaks between questions.

All children are very familiar with the format, as it is identical to the TTRockstars Sound Check which we practise regularly in school. We encourage children to type their answer and check it, they do not need to press enter and it is easy to make mistakes by rushing. If your child likes to practice, there are many other free practise sites for the 25 questions including this one: <https://play.edshed.com/en-gb/mtc>

If you have concerns about your child accessing the check, please contact us so we can discuss support and access arrangements.

Yours faithfully

A handwritten signature in blue ink that reads 'Jo Duhig'.
