

Wren's News

What an incredible first week for all your little ones. They have amazed all the adults with how well they have settled. They have all been exploring their new environment and toys in their own ways but all of them have been happy and kind to each other.

We have let the children choose their story book to come home this week. Please write in their reading records so we know you have finished. If we can see you have finished the book we will change it on a Tuesday and Friday. If the reading record hasn't been written in we will leave you to enjoy the book for a little longer. Please read with your children it really does make a huge difference.

Wren's PE day will be a Wednesday, please make sure they come dressed in their PE kit on this day. No jewellery, if your child has their ears pierced please take the earrings out on PE day. Trainers if possible.

Little Reminders:

Please double check everything is named, we have had a couple of mix up with water bottles already.

If your child is unwell please let the school office know before 8.55.

Please let us know if your child is being collected by someone new.

Make sure there are no nuts (Nutella/peanut butter) in lunch boxes, we are a nut free school as there are children with allergies.

Most important information can be found on the school website and I also use Seesaw to share lots of information, if you are having trouble with either let me know and I will try my best to help.

Enjoy your weekend, Wrens Team 😊
