

This week we have been focussing on feelings. We have been talking about recognising our emotions and what we can do when we feel a certain way. We read the colour monster story, where the monster describes each feeling as a different colour. We then drew our own colour monster and said what makes us feel that way. We have been talking about families and how each family is unique, they all come in different shapes and sizes but all that is important is love. The children have also shared the things that are important to them. We have also been talking about the importance of being kind and how we can be kind to each other.

This week in phonics we have been practicing blending sounds to hear the words. We have been recognising the 'Tricky words': the, I, no and a. Tricky words are words that can't be sounded out, so we just have to recognise them. This week our new sounds were i, n, m and d.

This week in maths we have been sequencing numbers to 10. We have been recognising the amount of dots on a dice without having to count and we have introduced numicon to match to the number cards from 1 -10.

Harvest festival at the church Wednesday 27th September at 2.15- all welcome. The children will still be picked up from school at the normal time.

Please send a small tin in for your child to take to the harvest festival, nothing too heavy as they will have to carry their item up to the church. Please also send your child in uniform on that day instead of PE kit.

We don't have much in the way of spare clothes so please if you haven't already could you send in a named spare clothes bag to leave on their peg, thank you. Also its getting to the time of the year where the children will need welly boots to go on the field at lunch, please send a named pair in, you are welcome to leave them at school, or I know some like to walk to and from school in them.
