

Wren's News

WB 21st September

This week we have been learning about different kinds of homes and our families. We have talked about different homes and painted pictures of our homes. We have been exploring drawing different patterns and using playdough to create different patterns too. The children have been using the loose parts to make different faces and been playing in the home corner during group time.

This week in phonics we have been learning the sounds i, n, m and d. We have also started learning to recognise 'tricky words'. These are words that you are not able to sound out and just have to recognise. This week we have been learning, a, l, the and no. We have practiced making up sentences with these words in them.

Book change will be Tuesday and Friday but please send their book bag every day.

PE day is every Thursday.

Anyone still having difficulty accessing Seesaw please let me know and I can help.

Meet the teacher: 30th September 2.45.
Come to the Wren's door. We will be finished before home time.

I will put up any notes from this on to Seesaw.

Thursday 5th November: National child measuring programme will coming into school, you will have received an email about this but it had the incorrect date on.
