

Wren's News

WB 20th November

This week we have been learning about Christmas and how it is an important time for Christians, we have been learning about how they believe Jesus was born and celebrate his birth on Christmas day. We have made Star decorations, lanterns, been practicing the Nativity and been writing labels to match Christmas pictures.

This week in phonics we have been learning the sounds: ai, ee, igh and oa.

We have been practicing recognising the new tricky word: was and her.

In Maths this week we have been revisiting 2D shapes. We have been naming them, describing them and making them. We have also been counting amounts to 10 and writing the numeral to match.

The wrens will all be stars in the Nativity, no need to worry about costumes, we sort it all in school.

Nativity performances:

Monday 4th 14:00 and Tuesday 5th 14:00.

Tickets are on sale in the office.

Whole school trip to the Marlowe Theatre Panto Wednesday 6th.
