

We have been learning about Christmas around the World this week. I showed the children a couple of webpages that they might want to explore further at home. The children can play games, watch video's and track Santa's journey on Christmas Eve. I did tell them that he will only come to their house when they are asleep! They are both age appropriate sites.

We have coloured in a map of the world and drawn Santa's journey from the North Pole to the United Kingdom. We have made lots of Christmas crafts, including reindeer and Silhouettes paintings of Christmas shapes.

The Pantomime was brilliant on Monday and the Wrens shouted, screamed and laughed. They loved it.

We also enjoyed a lovely Christmas dinner wearing our Christmas jumpers.
