

## Wren's News

WB 5<sup>th</sup> January

Welcome back everyone, I hope you enjoyed your time with your little people.

This term our learning is all around Real Life Super heroes. We will be learning about different jobs and how they all help us.

This week we have been learning about Vets. We were very lucky to have Bourne Vets visit to teach us about their job and how to take care of animals if we have them at home.

This week in phonics we have learnt the new 'oo' sound (in book/look/nook etc) we have also been reviewing all previous taught sounds. We have been revisiting tricky words we have learnt so far. We are now practicing writing the words we have been learning during our phonics sessions too.

In maths this week we have been comparing height using the vocabulary shorter than, taller than, shortest and tallest. We have been learning about capacity and comparing the number of cubes that can fit inside different size containers. We have been comparing the weight of objects using the vocabulary heavier than, lighter than, heaviest and lightest.

Please remember to send mud suits and welly boots back in, also the children will be out in all temperatures so winter coats please.

Please remember to send a water bottle each day and restock their spare clothes. (If your child has been sent home in spare pants/ clothes please return as we don't have many left.) Thank you.

I know so many of the water bottles get dropped and cracked, I find the ION8 bottles the best (metal bottle with straw) they are expensive but I don't think they can be broken!

Wednesday 25<sup>th</sup> February : phonics drop in. Come and watch a phonics lesson in Wrens. 9.15, it will be about half an hour.

Also reminder school will be closed on Friday the 16<sup>th</sup>, thank you for your understanding.
