

Wren's News

WB 26th January

This week our learning has been focused around Paramedics, Doctors and Nurses.

We have spoken about hospitals, pharmacies, and going to the Doctors.

We have really enjoyed playing in our class hospital. We have made our own X-Ray hand prints. Painted ambulances using repeating patterns. Labelled different parts of the body and cut and stuck items to go in our doctors bag.

We have been incredibly lucky to be visited by a paramedic and two firefighters this week, the children really enjoyed learning about their jobs.

The firefighters asked the children to check you have fire alarms at home and that the batteries are working.

This week in phonics we have learnt the following new sounds: 'ow' (snow) 'er' (winter) and 'ure' (cure). We learnt the new tricky words ball and tall.

This week in maths we used number lines, number fans and abacuses to explore number problems and number bonds to 10.

Parent celebration assembly 6th February .

Mental health workshop to follow straight after.

Wednesday 25th February : phonics drop in. Come and watch a phonics lesson in Wrens. 9.15, it will be about half an hour.
