

Wren's News

WB 29th January

This week we have been learning about the Police. We have been talking about the different jobs they do, how to recognise a Police Officer and the animals that sometimes help them.

We have made our own handcuffs, painted police vehicles, measured each other with cubes and then created a 'wanted poster'. Created police badges with our photos and sequenced numbers from 1-20 or 30.

We have enjoyed dressing up in our costumes and we are looking forward to being visited by a police officer next week.

This week in phonics we have been reviewing all the sounds and tricky words we have learnt so far. They are all trying really hard and I have noticed lots of them becoming more confident with their segmenting and blending.

In Maths this week we have been comparing sizes, using the words: shortest, tallest, shorter than, taller than.

We have also been exploring and comparing the capacity of different containers.

Last day of term Friday 9th February,
normal pick up time.
