

## Wren's News

WB 2<sup>nd</sup> March

This week our learning has been focussed around the theme of ducklings. We are very lucky and have experienced ducklings hatching in our class and watched them swimming for the first time!

The children have played hook a duck and matched the number on the bottom with their tick sheet. They have drawn ducklings, looked at the life cycle of a ducks and written labels for the ducks. The children have also made up their own duck stories and made books too.

This term we will continue to review all previously taught sounds. We have been introduced to the new tricky words: like, were, and out.

This week in maths we have played number games with our partners. The children explored ten frames and numicon to explore amounts to 10.

The children also explore accurate 1:1 counting of objects.

Parent consultations:

Tuesday 10<sup>th</sup> March 3-30-7.00

Thursday 12<sup>th</sup> march 3.30- 7.00

Friday 20<sup>th</sup> March Red Nose Day: £1 donation Own clothes day.
