

## Wren's Newsletter

WB: 3<sup>rd</sup> March 2025

Wow, what an incredible week we've had in Wrens class!

On Tuesday we began by having a whole school pancake race during assembly - staff verses children... (children won!)

Then we had the arrival of the ducklings to the Wrens class which has been a fantastic experience for the children.

This week, our topic activities have been based on the story 'The Ugly Duckling'.

The children have used the text to write a sentence describing how they think the duck might have felt. They have completed a colour by number maths work sheet and they are learning the shape names up to 12 sided shapes...impressive aren't they!

Another activity they have completed was to choose a duckling picture or a beautiful swan and to cut out the shape and fix it together using split pins to create moving parts. This will be displayed outside in the wall cabinet for you to view when you come to parents evening.

We had such a lot of fun on world book day.

The children all looked amazing!

As a school we celebrated in an assembly where we also chose a free world book day book to take home and keep.

We had some reading ambassadors from year five visit to read a whole class story which our Wrens listened to very well.

The staff also dressed up as characters from the book 'Room on the Broom'. The children thought it was most amusing that the adults were also dressed up! 😊
