

Wren's News

WB 15th April 2024 Term 5

Welcome back everyone, I missed your children so much during the Easter Break. They have come back to school raring to go and ready to be challenged and I have noticed that some children have been trying really hard with their reading at home and I can see improvement already, so you should be really proud of them.

We have begun our new topic, which is Traditional Fairy Tales, beginning with Little Red Riding Hood. We are concentrating on story language and structure, sentence building with capital letters and full stops.

As discussed with many of you in parents evening I have attached the language pyramid so that you can support the children's use of our new vocabulary at home in every-day use.

We have used Pie Corbett story mapping techniques to retell stories and puppets to act the story out. Here is a copy of the story map that the children helped to produce. If you ask them at home they will be able to use these images to tell you the traditional story all by themselves.

We have been continuing units of measure in maths, the children particularly enjoyed using bathroom scales to weigh themselves. They all wanted to be the heaviest, how that changes as you become an adult!

Many children have enjoyed being creative and have chosen to draw and paint lots of pictures of Little Red Riding Hood.

Just to confirm PE remains on a Wednesday. We won't be swimming until later on in the term – day to be confirmed.

Hopefully the weather will improve now, and we will begin to enjoy our outdoor spaces more creatively, without being so cold and wet!
