

WB 6th May

This week the children have been enjoying the story of The Three Little Pigs. The children have loved creating a display based on the characters. They have been busy building houses out of straws, sticks and bricks. They have created a little pig mask and sequenced the order the houses were built in the story and labelled the material used.

In phonics we are continuing to focus on the sounds 'air' 'ear' and 'ure'.

The children have also been learning that sometimes 'ed' on the end of a word can make a 'd' sound as well as a 't' sound.

(order-ordered / brush- brushed)

This week in numeracy I have been carrying out a little assessment with each child involving filling in missing numbers between 1-10, asking what is 1 more and 1 less than a given number. Recognising the number of spots on the face of a dice (without counting). Showing a partly filled in 10 frame and asking how many more to make 10. They then finished by naming 2D shapes. (rectangle, triangle, circle, pentagon and hexagon.)

I am currently working through assessing the books the children are taking home for reading. By Tuesday next week I will hopefully of completed this. I aim to ensure there is a little challenge but also want them to build up some fluency and ensure they are able to answer questions about what they have read. Within the level I send there will of course be some they find easier and some they find harder but hope you find they are on the whole accessing them ok. It is not that anyone has gone down, for a while there has been a mixture of levels going home, so your child might have been sent with easier /harder books.
