

This week our learning has been focussed around the story Three Little pigs. The children have created houses out of straws sticks and bricks for the little pigs. They have painted pigs, written labels for the characters in the story and written a speech bubble for the wolf.

Phonics: we have been practicing using our phonics knowledge to write words and simple sentences with increasing independence.

This week in maths we have focused a lot on describing and creating repeating patterns (ABB, AABB AND ABBC repeating patterns).

I have also been assessing different areas of maths to see where we need to focus our learning next.

Reminder: The weather is really changeable at the moment, please send your child with a jacket, even on the sunny mornings. Thank you.
