

This week the children have been enjoying the story of The Three Billy Goats Gruff. They have roleplayed the story using character masks. Created 3D pictures from the book. Sequenced the Billy Goats and have written a speech bubble for the Troll.

This week in phonics we have continued to revisit all the sounds taught so far.

We have been reading and writing the following tricky words:

Do, are, said, you, come, into, some, has and when.

This week in numeracy the children have independently been sequencing numbers from 1-10. We have been looking at accurate 1:1 counting. (lining objects up and pointing/touching each item as we count) We have also been exploring Numicon and ordering it from 1 -10 and then using it to find different ways of making 10.

I am looking forward to our parents' meetings and getting to chat to you all about the things I have seen since starting in Wrens with your children. I would really love for them to be two-way conversations and would like to hear about how you feel school has gone or is going so far for your child anything you think has gone really well and if your child has found anything tricky.

Reminder: Last day of term Friday 23rd May and returning Wednesday 4th June .
