

Welcome back everyone! I cannot believe Term 6 is here already. This term our learning will be centred around the topic of Under the Sea. This week we have been art focussed. Creating a whole class under the sea display. We used oil pastel resist and salt to create the sea background and pipets and paints to create the colourful fish.

This week in phonics we have been introduced to three new sounds. We now know the sound 'ai' can be made using 'ay'. We also learnt that 'ow' can be made using 'ou' and 'igh' can be made using 'ie'.

In Maths this week we have been naming and describing 2D shapes as well as singing shape songs.

Reminder swimming day will be Tuesday. PE kits can be worn for Tuesday and Friday. A note was put on Seesaw before half term but please feel free to ask any questions you may still have. We work a lot on water confidence, safety and enjoyment. Watching their confidence and enjoyment in the water grow is one of my favourite things about teaching in Wrens, we are so lucky to have a pool at Barham!
