

This week we have read the story Somebody Swallowed Stanley, it is a story all about a plastic bag ending up in the ocean the sea creatures it meets along its journey and the problems it causes. We have talked how we keep our oceans clean and why its so important. This week we created our own jelly fish. Counted lots of sea creatures and Created 2D shape under the sea pictures.

This week in phonics we have been introduced to new sounds. We now know the sound 'oo' can be made using 'ew'. 'w' can be made using 'wh' and 'f' can be made using 'ph' and 'oa' can be made using 'oe'. I have highlighted the new sounds.

In Maths this week we have learnt about odd and even numbers and used tens frames and numicon to help us recognise if a number is odd or even. We have explored finding double an amount. The children over the next couple of weeks will be completing some maths assessment activities with me.

Another wonderful week swimming, we have some very confident Wrens in the pool and those that felt less confident to start with are now enjoying being in the water!

Dates to remember:

Wednesday 25<sup>th</sup>: Wildwood trip

Friday 27<sup>th</sup>: Non- Uniform (bring donation in for fete.)

Saturday 5<sup>th</sup> July: Fete

WB 7<sup>th</sup> July: Sports week- PE kit everyday (more information coming)
