

This week our learning has been centred around the story Greta and the Giants. A story based around Greta Thunberg and the positive impact one person can have on climate change. The children have painted rainforests, created their own rainforest, made save the forest posters. We have also created a page 'All about me' to give to our new teachers Miss Warren and Mrs Ward.

Phonics: This week we have been reviewing all of the sounds we have learnt so far and writing lots of words with the diagraphs and trigraphs we have learnt this year.

We have been exploring number bonds to 10 by partitioning numbers using the part, part, whole model. We used 10 bean bags and a hoop and threw the bean bags, some landing in and some landing out but always 10 altogether. We have been practicing correct number formation and orientation.

Please ensure your child brings their book bag next Friday (10th) we will be passing the reading records up to the new teacher.

Friday 3rd July cake donation (for PTA summer fete)

Summer Fete Saturday 4th July 12-3 on the village green. We look forward to see lots of you there!
