

Year 1 - Jays

Date: 9 th September 2022	This week we have been learning about ...
English	<p>Phonics, reading and sentence construction</p> <ul style="list-style-type: none"> * Reviewing phase 4 blending. * Reading books and writing words and sentences using the sounds we know. * Assessing phonic knowledge.
Maths	<p>Range of activities</p> <ul style="list-style-type: none"> * Assessing knowledge through exploration of maths resources.
Other curriculum areas	<p>Art- Learning to draw Jay birds. Exploring how to lay out a sketch book page.</p> <p>PSHE - Meeting Jigsaw Jack, deciding on class rules and talking to our new buddies.</p> <p>Science - What do we already know about the seasons?</p> <p>PE - Swimming and skills for running.</p> <p>RE - Exploring images of the Lost Son.</p> <p>Geography - What do we know about where we live? The children also had a chance to submit their own designs for the new Barham play park!</p> <p>Computing - Exploring how to use cameras, voice recorders, iPads and other technology around the classroom.</p>
Other information and reminders	<ul style="list-style-type: none"> * Please do log into Seesaw if you haven't yet had the chance. * I know that quite a few children are finding the phonic-linked books tough. Please do bear with them and help your child as much as you can! They will bring home a book at the colour level they had reached by the end of Wrens this evening. * We are planning on having a junk modelling area this year so please do send in any boxes or plastic tubs! <p>* <u>Termly Challenge</u></p> <p>What can you find out about Barham? We would be particularly fascinated to hear of any family history within the village or see photos (this can include the child's own history!) Or maybe you could tell us about the features found in the village or draw a map of your route to school. There will also a Seesaw challenge, asking children to talk to parents and grandparents about homes when they were young.</p>
