

## Year 1 - Jays

<p>Date: 20<sup>th</sup> October 2023</p>	<p>This week we have been learning about ...</p>	
<p>English</p>	<p><b>Ruby's Worry, Phonics, reading and handwriting</b>            * Planning stories in the same style as Ruby's Worry.            * Writing our own emotion stories.            * Learning the new graphemes ay (as in play) ou (as in cloud) ie (as in tie) and ea (as in treat.)</p>	
<p>Maths</p>	<p><b>Addition and subtraction within 10</b>            * Recognising parts and wholes of objects and groups.            * Understanding a part-part-whole model (see right).            * Using a part-part-whole model.            * Writing addition sentences.</p>	
<p>Other curriculum areas</p>	<p><b>PSHE</b> - Understanding how my choices affect others.  <b>Science</b> - Recognising why different materials are used for different items.  <b>PE</b> - Multi-skills with the PE coaches and swimming.  <b>RE</b> - What have we learnt about forgiveness?  <b>History</b> - Why have homes changed and how does this make our lives different to those of our grown-ups?  <b>Music</b> - Creating cuckoo sounds.</p>	
<p>Other information and reminders</p>	<p>* Swimming has now finished until the Spring. Instead we will now have <b>PE on Mondays and Thursdays</b>. Mondays will be Dance, in the hall, and Thursdays will continue with the coaches. This may well be outside if the weather is dry so please ensure children have joggers and a jumper.            * We are having a few problems with water bottles! Lots of children have the same bottle but not all are named - please do make sure you label your child's items. Also, we are beginning to run out of storage space as many bottles are very large. Please do also take this into consideration when next buying a new one.            *Have a lovely break. We look forward to seeing you all again on Monday 30<sup>th</sup> October.</p>
