

JAYS CLASS (Year 1) - Weekly overview

Term 6 week 2

Wow! You all amazed me with your energy and confidence when tackling the phonics check. Very well done! We still found time to do some fun creative things too this week 😊

Friday 12 June 2026 This week we have been learning about:	
English	Phonics - review of many graphemes. And spotting those tricky split-diagrams! Writing sentences about where in the world we would like to travel on the back of the whale.
Maths	Partitioning two digit numbers Comparing two digit numbers with the same number of tens - using the < and > symbols Comparing two 2-digit numbers using < > (building them with base ten resources We also completed a practise PUMA assessment and played on numbots
Other Subjects	Science: observations from our trip to reculver - why did animals choose certain habitats? Spencer Bear has woken from Hibernation - he will make return trips to you all to see what the weather is like at this different time of the year. Does the sun set later? PE: swimming Computing: SCRATCH Jnr - changing the start button Geography: the seas around the British Isles PSHE: What to do if I get lost? How would we find our adult? DT: Mechanisms on a card (sliders) Art: Digital Art (drawing on IPADS)
Other info	Such a shame that the OPAL play session got rained off. We all love it in school - there is so much to choose from and the year groups mix brilliantly together. Hopefully you will be able to come to the re-arranged session at lunchtime on Sports Day (7 th July). PE days this term continue to be rounders on a Monday and swimming on a Wednesday. Please wear PE kits (with sports shoes that provide support to the foot - no fashion eg high-tops), on a Wednesday please ensure that earrings are removed and you bring swimming kits (you might want to include a pair of clogs or sliders for ease of walking to/from the pool) goggles and swim caps can also be worn. Please continue to read at home and practise number bonds to 20. We will encourage changing of reading books and some of you are moving up levels too! Please also talk about the books you read. Can the adults ask questions about the characters and their actions? Please discuss any unfamiliar language and start trying to predict before turning pages. Record when you read in the reading records. If we see that you have read at home 4 times a week then you will automatically get a lucky dip prize from the basket! It's full of fun stationery!
