

JAYS CLASS (Year 1) - Weekly overview

Term 6 week 5

Looking forward to seeing lots of you at the fete this weekend.

Friday 3 July 2026	
This week we have been learning about:	
English	Book focus: Alan's Big Scary Teeth - a funny picture book about an alligator. Writing information sentences and turning them into a booklet. Diary writing about our trip to Heidi's garden.
Maths	Time: days of the week, months of the year. Reading and making time on an analogue clock Problem solving with time. 5 times table
Other Subjects	PE: focus on hand-eye coordination using a bat and running rounders on the diamond. And confidence session in the pool. Computing: SCRATCH Jnr - adding and removing characters and multiple screens PSHE: safe substances - medicine and creams. Our message is that adults <u>always</u> administer creams and medicines. You were all very sensible chatting about vitamins and other medicines. Art: using water colours to paint flowers Music: imitating pitch and melody RE: what do you think the good news is that many Christians believe about peace?
Other info	Next week is SPORTS WEEK.: PE kits everyday. Swimming kit on Monday please (not Wednesday). Sports day is on Tuesday - you can wear house colours (everyone came home with a little star sticker for their houses on Monday - let us know if you want a reminder). As the forecast to be warm and sunny please ensure suncream is applied before school every day and hats and water bottles in school every day. On Friday 10th July afternoon KS1 are lucky to be hosting a local author as part of the Canterbury Children's Literary Festival. Her books are available to purchase and be signed at school pick up on Friday.

Please don't hesitate to contact me via a message on seesaw or an email to:
