

# Owls class (y2)

	Friday 11 <sup>th</sup> December 2020: This week we have been...
English	<p>For our writing we are ready to move onto planning and writing our very own letters. We have been working as a class to write letters as Sunny from the book 'Meerkat Christmas' by Emily Gravett and this has helped us to learn about how to section a letter and some of the grammatical aides we can use such as contractions, exclamations, questions and adjectives.</p> <p><b>Guided Reading:</b> The children have all completed a reading quiz this week to show us how amazing their comprehension and inference skills are. We will send out a letter about reading early next term.</p> <p><b>Spelling focus:</b> Our spelling words for this week have all contained the split digraph 'i_e'.</p>
Maths	<p><b>Multiplication:</b></p> <p>We have just started to look at multiplication through groups of items. We have done a lot of work on making equal groups and unequal groups and then started to think about techniques to help us turn unequal groups into equal groups.</p> <p>Are the groups equal or unequal? Write a label for each.</p>   <p>Josh is drawing equal groups of 3</p>  <p>Complete his drawing.</p>
