

Owls class (y2)

Friday 18th December 2020: This week we have been...

English

For our writing we took a trip to Lapland (via a video!) and then wrote a postcard to describe all of the amazing activities we had done. We also included a fascinating fact about our trip and some extra information using a P.S. We focused on including adjectives, adverbs, contractions and commas in lists.

Maths

Multiplication:

Continuing with multiplication we started to look at arrays. We used the arrays to note how many rows each array had, how many columns each array had and then how many items in total there were. We talked about how arrays show lots of equal groups of items and repeated addition.

Array	Description - columns	Description - rows	Totals
	5 columns 2 cookies in each column	2 rows 5 cookies in each row	$2 + 2 + 2 + 2 + 2 = 10$ $5 + 5 = 10$
	___ columns ___ donuts in each column	___ rows ___ donuts in each row	
	___ columns ___ fish in each column	___ rows ___ fish in each row	
	3 columns 5 cupcakes in each column	5 rows 3 cupcakes in each row	

Christmas Activities

For the rest of our time we had fabulous fun preparing for Christmas, we:

- Watched the pantomime and a Christmas film.
- Made our candle holder for Doorstep carols.
- Made hats for our Christmas lunch and Christmas cards.
- Played lots of party games at our party.
- Enjoyed playing with our friends.
