### Home learning task

This weekend is the RSPB bird watch - we made some cone and coconut bird feeders which came home and some are also around the school grounds. We hope some of you will also take part in the bird count at home this weekend. I sent home an identification sheet to record what you might see. You can also upload results at: <https://www.rspb.org.uk/whats-happening/big-garden-birdwatch/submission>.
