Friday 12 th March 2021: This week we have been...	
English	<p>Looking at a new book 'In My Heart - A book of Feelings' by Jo Witek. We have also discussed how we all feel the different emotions at many different times and that this is completely normal.</p> <p>Guided Reading: We have been working in smaller groups for our guided reading. Some of us have been using the book 'The Friendship Bench' whilst others have been looking at traditional fairy tales but written differently.</p> <p>Spelling focus: Our spelling words for this week have all used the 'l' sound at the end of words spelt 'le'.</p>
Maths	<p>Shapes:</p> <p>We have finished our learning on shapes with 3D shapes and their properties. We have learnt about faces, edges and vertices on 3D shapes and used all of this to sort shapes into groups and make our own patterns.</p> <p>How are these shapes grouped?</p> <div style="display: flex; align-items: center; justify-content: center;">  </div> <p>Could you group them in a different way?</p> <p>How many times does the pattern repeat?
