

OWLS CLASS (Year 2) - Weekly overview

Term 4 Week 6

A fun filled week to end a busy term. Your smoothies were colourful and delicious. Our last day was spent hunting for Easter goodies, completing maths challenges and singing beautifully alongside the whole school in our Easter church service.

Thursday 28 th March 2024	
This week we have been learning about:	
English	Reading - practising retrieval questions with attention to highlighting how to use numbers to sequence events Writing an information booklet on Queen Elizabeth I Using contractions (would have = would've, I am = I'm, we are = we're) Identifying adjectives and choosing the most relevant in a sentence Completing a Spelling and Grammar paper
Maths	Fractions as part of a whole Understanding halves Identifying quarters Calculating quarters and halves of an amount Completing an arithmetic booklet (copies sent home) - you all did this with great confidence and we shared techniques of doodles and notes Capacity - reading a scale on a jug (making smoothies).
Other Subjects:	PE: multiskills and underarm serve and tennis Jigsaw posters on keeping healthy - body and mind. RE: understanding forgiveness and discussing when we have needed to say sorry History: Researching and detail on events during Elizabeth I reign DT: choosing, preparing and mixing ingredients for healthy smoothies
Other information	SPELLINGS - please continue to support your child with handwriting practise on spelling sheet. They might also like to complete challenges on SPELLING SHED. PE next term will continue to be on a Tuesday (tri-golf with coaches) and Wednesday (with Mrs Gooderham). Please come to school wearing PE kits on both days. A reminder - please don't book any holidays in May before our half term break as we will be completing the end of key stage assessments.

Holiday Tasks

We have sent home a writing booklet to continue your wonderful diary writing. If you get a chance please draw a picture and write some sentences about what you get up to! We also sent home sunflower seed and booklet to draw and record any growth you might see. A link to these is also on seesaw.
