

Date: 17.06.2026	This week we have been learning about...
English	We have been writing our recounts of our year in Owls this week. Owls have had lots of fun recapping all the amazing things we have done this year.
Maths	We completed our work on fractions by counting in fractions and completing a mini quiz. We have also started our end of term PIRA tests.
PSHE: DT: COMPUTING: SCIENCE: R.E.: PE: SPELLINGS:	We have been learning about the differences between surprises and secrets We have been creating a surprise for Father's Day We have continue exploring scratch and completed a survey What is the lifecycle of a plant, in particular a sunflower seed? We started our new topic which is thinking about the question: How should we care for others and the world and why does it matter? Swimming and rounders This week's spellings are: Words ending in -tion. Station, fiction, motion, nation, education, action, injection, caption, fraction and competition.
Information and reminders	The Kentish Gazette will be printing the My Dad supplement in their paper this weekend. If your sunflower seed has started to grow, we'd love to see some photos! Please send them in so we can add them to our Science display. If your sunflower didn't

OWLS CLASS OVERVIEW

	grow, has been eaten by slugs or has died do let me know as I have some spare seeds. If you have any medium sized cardboard boxes (no bigger than a cereal box), can the children please bring them in (no nut contents please) as we need one each for our DT next Thursday.
