

# Robins class (y3)

	Friday 3 <sup>rd</sup> November 2023: This week we have been...
English	<p>We are using 2 new books for our writing this term. Mrs Bruce will be using 'How to Find Gold' by Viviane Schwarz and Mrs Gurney will be using 'Claude in the City' by Alex T Smith. This week has been centred on introductions to the books and their main characters as we have thought about character descriptions for each. We finished the week by writing our own City poems.</p> <p>Our spellings this week have all been prefixed with 're':</p> <p>Redo, return, refresh, redecorate, reappear, review, replay, reaction, rebound, revenge.</p>
Maths	<p><b>Multiplication:</b></p> <p>We started the week by finishing our addition and subtraction topic by looking at some inverse calculations and a quizlet. Now, we have moved onto our new topic of multiplication starting with recognizing equal groups and using arrays.</p> <p>Which array is the odd one out?</p> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div style="text-align: center;"> <p>A</p>  </div> <div style="text-align: center;"> <p>B</p>  </div> <div style="text-align: center;"> <p>C</p>  </div> </div>
