

Robins class (y3)

	Friday 2 nd February 2024: This week we have been...
English	<p>We began the week by using the book 'Escape from Pompeii' and we finished writing our own narrative based on the event. On Thursday and Friday using our other book 'How the Stars came to Be' we planned our own porquoi story - choosing to write about how _____ came to be - such as animal features or other creation stories.</p> <p>Our spellings this week have all included the suffix 'ly' calmly, boldly, hourly, bravely, clearly, deady, deeply, exactly, gladly, quickly.</p> <p>We noticed how the root word stays the same for all of these spellings when you add the suffix 'ly'</p>
Maths	<p>Length and Perimeter:</p> <p>This week we have been converting measurements between mms, cms, and ms and comparing different lengths.</p>
Other Curriculum Areas	<ul style="list-style-type: none"> • Music - We practised the songs for our Christingle Service. • RE - This week we discussed the question what should be respected thinking about the Sikhi religion. • PE - dance - we polished and practiced our dance. • PE - we did some Roman formation marching with Mr Calvert • Topic - we discussed and researched what life was like as a Roman. • DT - we started to make our own Roman shield. • Art - we drew and shaded realistic volcanoes as part of a landscape thinking about perspective. • Spanish - we continued to learn how to say the items in our pencil cases. • Computing - we learnt how to change the appearance of our Scratch projects.
News & reminders	<p>This term we will continue to have PE on Mondays and Fridays so please wear PE kit suitable for both inside and outside on these days.</p> <p>We had a lovely morning yesterday as we went to church for our Christingle Candlemas Service. Rev T talked to us about the end of advent (2nd February) and told us what each part of our Christingles represents. We then took part in a Service just for year 3. We felt very special.</p> <p>We said goodbye to Mr Calvert on Friday afternoon. It has been incredible to have him as part of our Robins team and we want to thank him for everything we have learnt from him.</p>
