

Robins class (y3)

	Friday 27 th March 2026: This week we have been...
English	<p>This week we have been working on writing a non-chronological report on Volcanoes. We used notes to collect many facts about volcanoes and thought about the questions we might want to answer with our writing. We looked at many different conjunctions and tried to use both co-ordinating conjunctions (and, but etc.) and subordinating conjunctions (because, so, when, that etc.) to extend our sentences. We also wrote our first paragraph answering the question - what are volcanoes?</p> <p>Our spellings this week have all been words ending in 'al': arrival, burial, comical, emotional, national, magical, personal, optional, survival, tropical.</p>
Maths	<p>Volume and Capacity:</p> <p>This week we have been measuring capacity and volume in litres and millilitres and comparing capacity and volume.</p> <p>Jo has these bottles.</p>  <p>She uses the bottles to fill this 1 litre jug.</p>  <p>How many different ways can it be done?</p> <p>Jo can use each bottle more than once.</p>
