

ROBINS CLASS (Year 3) - Weekly overview

Term 1 week 3

A week full of fun and a special visitor had us acting in the hall midweek. Enjoy the weekend.

Friday 18 September 2026 This week we have been learning about:	
English	Reading - our workshops continue to focus on retrieval skills (from book extracts) and discussions on Diary of a Killer Cat. Writing creatively - we continued our writing around 'How to find Gold', creating our own sea-monsters and bringing them to life on the page and screen.
Maths	Place value to 1000 Creating numbers with base10 Partitioning number Number bonds to 100 and assessment of x2 x5 and x10
Science	'Forces and Magnets' - we explored the effect of friction on a moving object.
Other Subjects:	Drama: a wonderful workshop led by Ian of KIC theatre company - where we were transported back to the time of the Stone Age. Learning how this population travelled, made shelter and found food. Photos on seesaw. PE: Dribbling the ball and aiming for hoop & swimming. Geography: 4point grid references to find a location Computing: input & output devices - creating our own digital device Art: Complementary colours in nature. Spanish: numbers to 10 RE: Abraham and the concept of faith. PSHE: how can I tell how someone might be feeling.
Other information	Thanks to all who made the 'meet the teacher' session on Tuesday, the slides are now on seesaw. PE days Tuesday (PE) and Wednesday (swimming - no earrings please). Please come to school in PE kits on both days (if possible removing earrings). Small homework task: can you spot and record a device with input and output and record on the sheet (for sharing Tuesday newsday).

Please don't hesitate to contact me via a message on seesaw or an email to:
